NURSERY COMPANY

GENERAL OFFICES: TAHLEQUAH, OKLAHOMA

Yes!! Cash-In on the Plus Sales from Ozark's PACKAGED PLANTS

Yes, cash in on the vast new market of homeowners! Shorter hours plus a new desire among homeowners to beautify their homes is creating more and more eager do-it-yourself gardeners. You can price Ozark's packaged plants at twice your cost—and more for most varieties—and sell out fast to the eager planters.

Ozark's eye catching, glittering, uniform packages and big beautiful pictures in thrilling natural colors create an irresistible desire to buy. Give your customers a good look at the packages and you will have many dollars worth of impulse sales.

Completely SELF-SERVICE

Dramatic displays of Ozark's colorful packages attract customers like a magnet. Buyers move in close. They lift the beautiful packages, examine husky canes. They see the picture in thrilling natural colors and planting instructions on the package. They tuck their selections under their arms, pay the cashier and hurry home—delighted!! They tell their neighbors, too.

Creates TIE-IN SALES

And remember, every purchase of plants makes a prospect for tie-in sales of plant food, fertilizers, sprays, dusts, insecticides, garden tools, etc. You can up your profits still more by suggesting the extra beauty of plants in several different colors.

No Muss or Fuss or Discards with OZARK'S PACKAGED STOCK

Each Ozark packaged plant is a self-display. No labeling, pruning or extra sales personnel needed. No wrapping time or expenses. Just display and sell! Each shipping carton of twelve is plainly marked as to variety.

Go MODERN with Ozark's MACHINE PACKAGED Plants

GONE ARE THE DAYS OF:

Random hand packaging and poorly wrapped plants.

Packages that are not uniform.

Packages poorly filled and full of wrinkles.

The limitations of only a few packages per man hour.

Being constantly behind on delivery during rush season.

Packages that fill an order — but certainly do not create a sale or invite additional purchases.

OZARK NOW HAS INGENUOUS MACHINES TO PACKAGE NURSERY PLANTS

Exhaustive tests have proved that with our modern method of packaging, you can be assured of firm, uniform moisture-sealed packages that protect the plant. Ozark products and services are the result of over half-century of progressive methods.

But better yet — Ozark machine-packaged plants have that added sales appeal that not only fill an order but creates many impulse sales. These new ingenious machines have speeded our packaging so much that the rush season is no longer a problem. You can be assured of your order never being delayed and speedy service at all times.

Ozark has the men, machinery and experience to insure that packaged nursery plants will reach your customers in the same field fresh condition that they left the nursery.

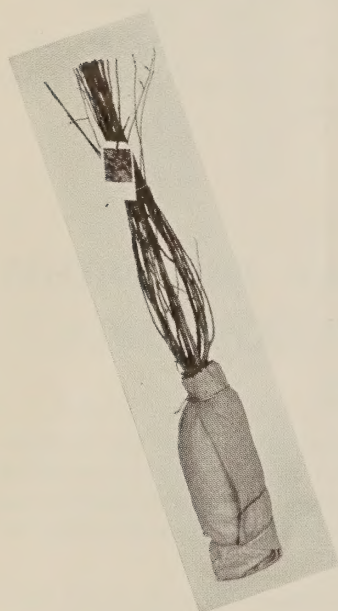

LET US SHOW YOU how Ozark's—
better nursery plants—and better ways of doing
things can increase your net profits.

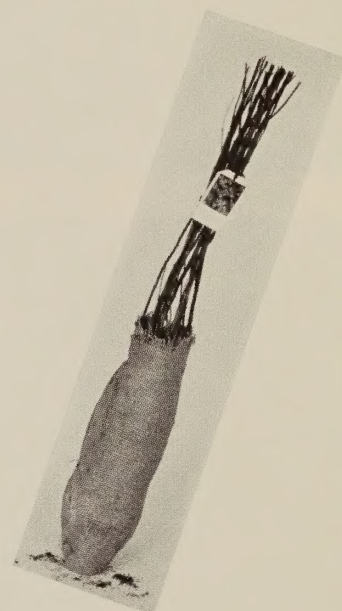

CRACKER BARREL SELLING?

You wouldn't think of such old fashioned methods of merchandising as selling crackers out of a barrel. Yet, crudely packaged plants that are 20 years behind times on packaging are still being offered for sale. These old fashioned packages not only increase handling costs by store personnel, but fail to attract customers, create sales, or give a rapid turn over of merchandise.

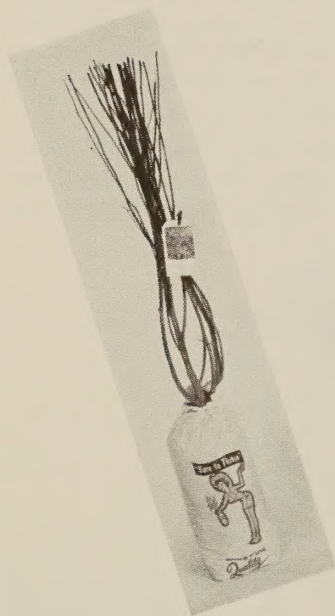

BURLAP WRAPPED ▶

This is the way plants were first packaged many years ago. Just a dirty piece of burlap with packing material constantly sifting out and getting customer's cars dirty. Worse yet, the plants dried rapidly through the burlap and had to be watered often.

◀ KRAFT WRAPPED

Next came this method of packaging plants and it was at least clean, but a piece of brown Kraft paper certainly did not attract customers to your display of plants. And, it still let the plants dry out on your shelves before you could get them sold.

◀ POLYETHYLENE BAG

This method of packaging eliminates the need for watering plants while on display because the roots will stay moist in polyethylene for six months. It was clean and the colored bags did attract customers, but it still had the cheap little picture tag of the plant just as the burlap and Kraft wrap. After all, it is the picture of the plant that makes the sale.

BUT LOOK WHAT OZARK is doing to help you do a better job merchandising and also creating many impulse sales.

OZARK'S MACHINE *Packaged Plants* *CREATE Plus SALES!*

All Ozark plants are individually packaged in these attractive, colorful bags with a large 5 x 7 inch true-to-life picture showing the plant in thrilling natural color.

These bags are really two bags in one—the colorful outer portion attracts customers like a magnet, while the inner portion of the bag is polyethylene lined, which seals the moisture-retaining material around the roots and keeps the plants field fresh for several months.

Complete planting instructions on the back of package, making it completely self-service. You have a choice of our:

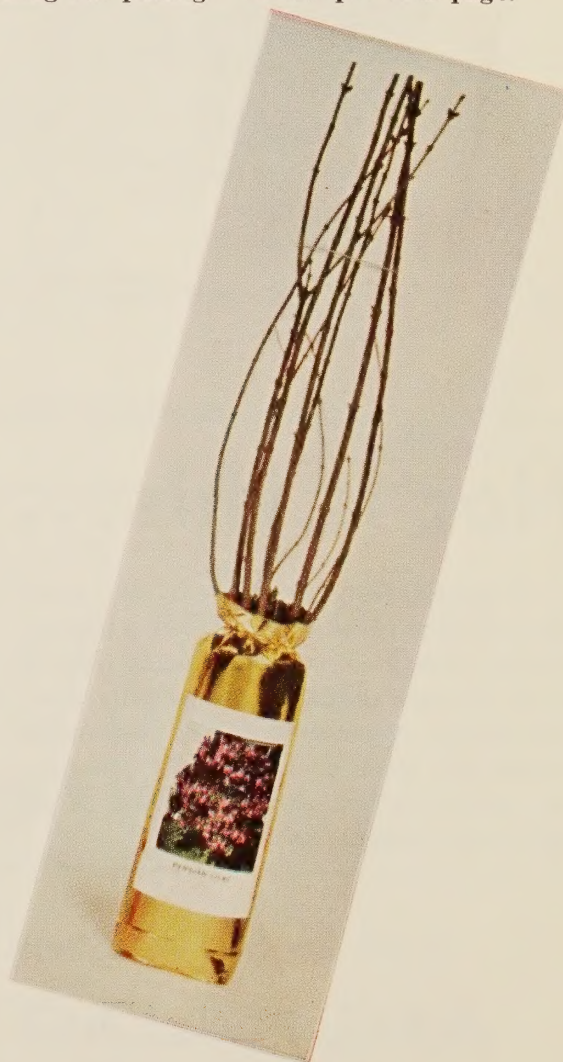

DELUXE PACK

A bright, colorful, green bag with a large 5 x 7 inches picture—truly a deluxe package. Many of our customers tell us they tripled their business and more the first year they started selling our deluxe pack after selling the packages on the previous page.

SUPER DELUXE PACK

The best and very latest in modern merchandise packaging. Beautiful glittering, aluminum foil bag with large 5 x 7 inch picture attracts customers from all directions. Glistening green, gold, red or silver color foil makes a dramatic display that eager gardeners just can't pass without stopping.

Ozark attractive Deluxe and Super Deluxe packages, with a large 5 x 7 inch true-to-life color picture of the plants, do not merely fill an order. They inspire desire—they create impulse sales.

See the Difference!

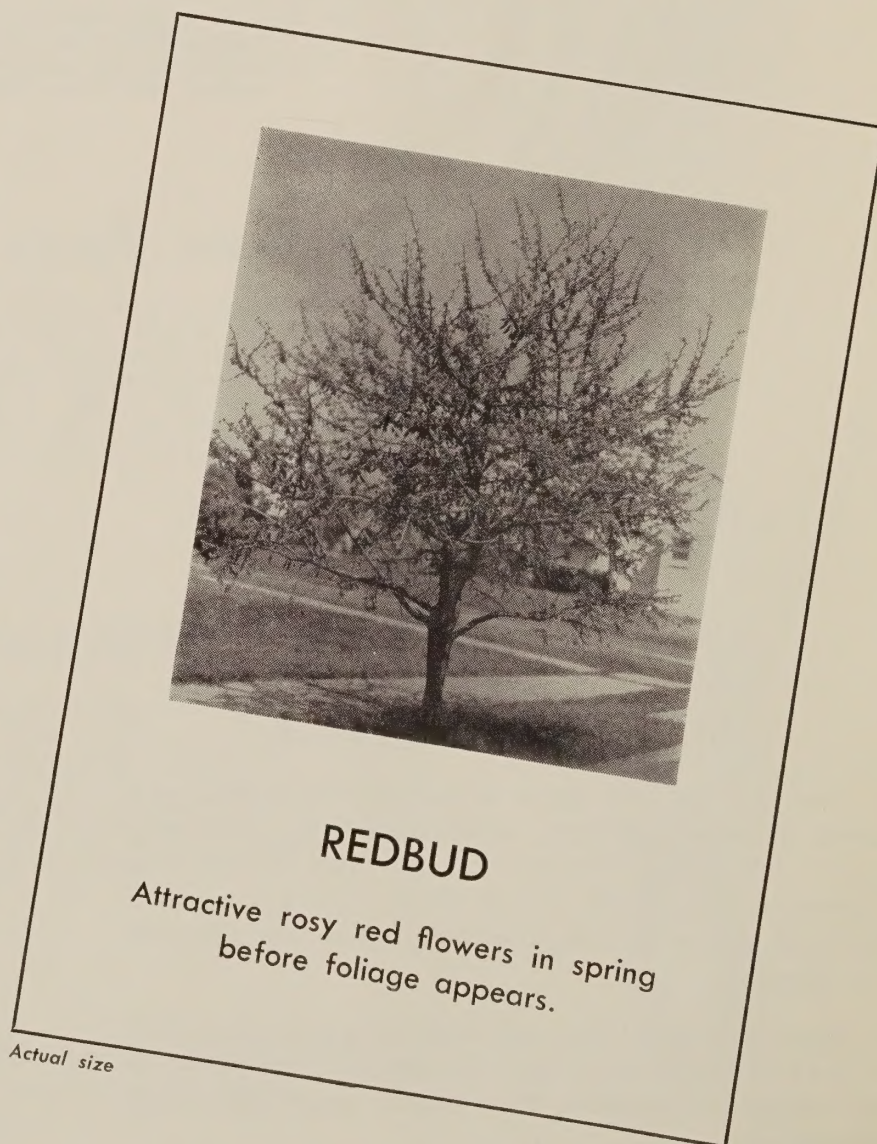

This is NOT the way Ozark Labels its Packaged Stock

This little picture tag shows only a small portion of the plant and really there is not enough detail to tell what plant it is. An eager gardener who knows plants will buy even with this small inadequate picture, but for every customer that knows plants, there are thousands whose knowledge is very limited. Those thousands of prospective buyers are anxious to plant and beautify their homes, but this small inadequate picture does not inspire or create the desire for the plant.

Nor Is This....

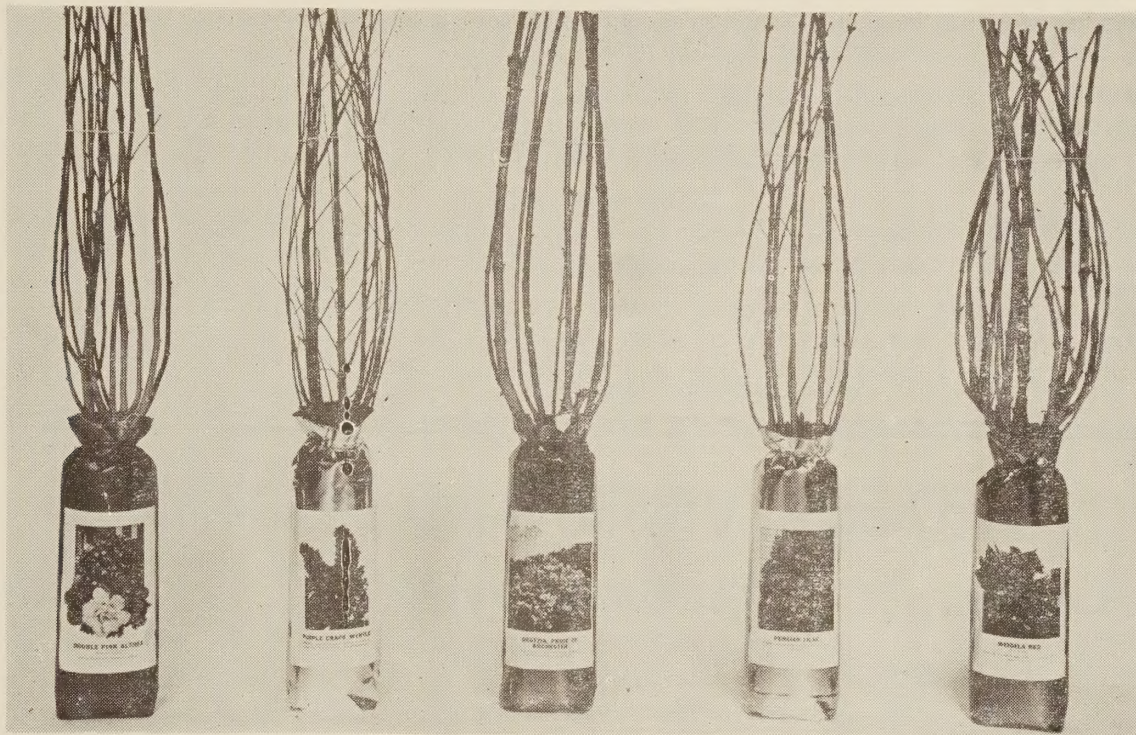

A prospective buyer can get some idea what a plant is like from a picture of this size, but even this larger picture lacks enough detail to do a really good job selling. Note on the next page what Ozark has done to turn every prospective buyer into a customer—and at no additional selling cost.

TAHLEQUAH, OKLAHOMA

TERMS AND CONDITIONS

Terms—F. O. B. Tahlequah, Oklahoma net 30 days to accounts with established credit. C. O. D. orders must be accompanied by one-fourth cash. Six percent interest charged to all past due accounts.

Minimum Orders—Six plants of a variety and multiples thereof, packed 12 in a carton. No order accepted for less than one full carton.

Packaging Information—All plants are individually packaged in attractive bags with large 5" x 7" true-to-life color picture on front of bag and complete planting instructions on the back. You have your choice of the **Deluxe Pack**—a bright colorful green bag, or **Super Deluxe Pack**—your choice of glistening green, gold, red, or silver foil, each with a polyethylene liner. Be sure to designate type of bag wanted. When ordering Super Deluxe Pack be sure to designate color of foil. If color is not designated one of the four available colors will be sent.

Shipping—Shipments can be made from early Fall through to late Spring. Our Express and Motor Freight connections are excellent. Truck load lots can be delivered in our own fleet of trucks. In many instances it is possible for us to combine several orders for an area in a combination load on one of our trucks. This gives the fastest delivery service at a nominal cost to you, and we will endeavor to do this where practical.

Guarantee—All stock is guaranteed to be vigorous, healthy, in prime condition and fully up to the grade specified. We guarantee our stock to be true to name and will replace or refund the amount paid for any material that proves untrue to description or variety name. In no case shall we be liable for any sum greater than that received for the nursery stock.

Claims—All claims for any cause must be made immediately upon receipt of goods. We will not entertain claims which are filed after goods have been accepted or which are not made in writing within five days after arrival.

Caution—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All orders are accepted without liability for non-performance if labor shortages or delay in transportation should prevent us from making delivery.

Here is Labeling that CREATES Sales!

REDBUD

Attractive tree with branches completely covered with rosy red flowers before foliage appears in spring.

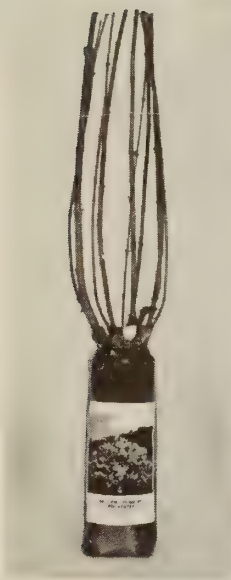

ANOTHER OZARK FIRST—yes, we are proud to be first in the industry to have large 5 x 7 inch full color pictures of every item in our complete selection of all types of plant.

WITH OUR BIG BEAUTIFUL, eye-catching pictures a prospective buyer that never saw nor heard of a Red Bud will immediately want one in his yard and will buy the plant.

WITH OZARK GROWN and packaged plants, you not only fill orders, but you inspire desire and create many impulse sales. Better yet, you make repeat customers.

Ozark **PACKAGED**

Flowering Shrubs

All our shrubs are at least two years old, hardy and field grown in the fertile foothills of the Ozarks. They are well branched and heavily rooted. All have bloomed in the Nursery. All our shrubs will be packed individually in our Deluxe or Super Deluxe Pack with large 5" x 7" True-to-Life color picture on front and planting instructions on back of pack.

ABELIA GRANDIFLORA

Medium growing, upright, spreading plant with glossy, green leaves and very fragrant pinkish white flowers borne in profusion all Summer. Thrives in shade or sun.

ALMOND, PINK FLOWERING

Medium growing upright shrub with a mass of delicate double pink flowers before the leaves appear in early Spring. Grows in shade or sun.

ALTHEA, ROSE OF SHARON

Medium to large upright shrub with large double flowers from July to frost. Your choice of colors: pink, purple, red, white. Thrives in shade or sun.

BARBERRY, RED LEAF

Low spreading shrub with bright red foliage all Summer and Fall. Brilliant red berries in the Fall and Winter. Prefers sun for best color.

BARBERRY, GREEN

Low spreading shrub with small green leaves. Yellow flowers in spring and red berries in the Fall. Thrives in shade or sun.

BEAUTY BERRY

Medium upright spreading shrub with white flowers in July and August and clusters of purple berries in Fall. Thrives in shade or sun.

BEAUTY BUSH

In spring the graceful arching branches are completely covered with lovely, delightfully fragrant, pink blossoms. Medium upright, spreading shrub that thrives in shade or sun.

BUTTERFLY BUSH (Summer Lilac)

Medium growing with clusters of fragrant blossoms borne on spikes from early Summer to frost. Choice of colors: pink, purple, red, white. Prefers sunny location.

BLUE MIST SPIREA (Caryopteris)

Low growing shrub with silvery green foliage. Masses of powdery-blue flowers cover the plant from August to frost. Prefers sunny location.

BUSH CHERRY

Medium shrub with silvery-green leaves. Masses of white blossoms in Spring, followed by large sweet cherries that are wonderful to eat from the bush. Thrives in sun or shade.

BURNING BUSH (Euonymus Alatus Compacta)

Dwarf compact shrub with cork bark and yellow blossoms in May. Leaves turn a brilliant crimson in Autumn.

CRAPE MYRTLE

Medium growing shrub with attractive deep green glossy leaves and large clusters of crape-like flowers cover the plant from mid-Summer till frost. Choice of colors: pink, purple, red, white. Prefers sunny location.

COTONEASTER DIVARICATA (Spreading Cotoneaster)

Beautiful spreading shrub with small shiny green leaves borne on erect branches. Pink blossoms are borne all along the stems in the Spring and red berries follow in the Fall. Thrives in sun or shade.

DEUTZIA GRACILIS

Low growing shrub producing a profusion of snow-white flowers in May. Thrives in shade or sun.

DEUTZIA GRACILIS ROSEA

A pink variety of the ever popular Deutzia Gracilis.

DEUTZIA, PRIDE OF ROCHESTER

Medium growing, spreading shrub covered in Spring with double white blossoms, delicately tinged pink. Thrives in shade or sun.

FORSYTHIA GOLDEN BELL

Medium to large upright shrub. In early Spring before leaves appear the stems are completely covered with bright yellow bell-shaped blossoms. Thrives in shade or sun.

GOLDEN VICARI

Compact dwarf growing shrub with brilliant golden yellow leaves throughout the season. Excellent for planter boxes and borders. Colors best in sunny location.

HONEYSUCKLE FRAGRANTISSIMA

Medium growing shrub with tiny white fragrant blossoms in early Spring, followed by masses of red berries in Fall. Thrives in shade or sun.

HONEYSUCKLE RED BUSH

Medium growing bush type honeysuckle with brilliant red sweet-scented flowers in Spring and followed by red berries in Fall. Thrives in shade or sun.

HYDRANGEA A. G.

Medium growing shrub with large double white flowers similar to Snowball in June and July. Prefers partial shade.

HYDRANGEA, BLUE

Medium-low growing shrub producing huge clusters of blue flowers in early Summer. Pink in ordinary soil. Make blossoms turn blue by watering twice a month with one tablespoon of Aluminum Sulphate in a gallon of water. Prefers partial shade.

HYDRANGEA P.G.

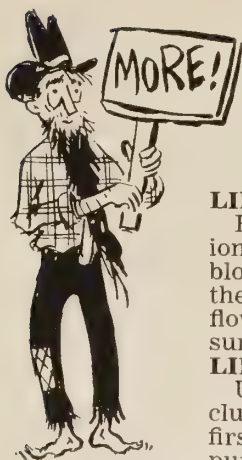

Low to medium growing shrub with large cone-shaped pure white flowers in summer changing to pink and then to bronze in the fall. Prefers partial shade.

JASMINE, YELLOW

Low spreading shrub with graceful weeping branches and dark green leaves. Yellow bell-shaped blossoms are borne all along the stems. Thrives in shade or sun.

KERRIA JAPONICA (Double Globe Flower)

Medium growing bushy shrub with clusters of golden yellow flowers like button Chrysanthemums all Summer. Prefers sunny location.

SHRUBS

Continued

LILAC, FRENCH HYBRID

Exactly the same as the Old Fashioned Lilac, with the exception that it blooms the first year and can be had in the following choice of lovely double flowers: blue, pink, red, white. Prefers sunny location.

LILAC, PERSIAN

Upright, medium grower with large clusters of fragrant blossoms. Blooms first year. Your choice of lovely pink, purple, or white flowers.

MOCK ORANGE, DOUBLE

Medium growing upright shrub with lovely large, double, white flowers borne in abundance in May and June and occasionally blooms throughout the remainder of the Summer. Thrives in shade or sun.

MOCK ORANGE, SWEET

Medium to large growing shrub with beautiful dark green leaves. Large, sweet-scented, orange-white blossoms are borne in May and June. Shade or sun.

POINCIANA (Bird of Paradise)

A very hardy medium to large growing shrub with attractive lacy green leaves. Yellow blossoms with brilliant red stamens in late Spring. Thrives in shade or sun.

POMEGRANATE, DOUBLE FLOWERING

Medium growing, compact, bushy shrub with brilliant orange-scarlet double carnation-like flowers in Summer and Fall. Shade or sun.

POTENTILLA, GOLD DROP

Dwarf, spreading compact shrub with feathery dark green foliage. Beautiful golden-yellow buttercup-like blossoms from June to October. Shade or sun.

PURPLE FRINGE (Smoke Tree)

A beautiful fast-growing shrub producing masses of filmy, smoky panicles of purple flowers in June and July, giving the tree a most unusual smoke-like appearance. Shade or sun.

PUSSY WILLOW

Medium upright growing plant with beautiful pearl-gray catkins, borne along the stems in the Spring and much desired for flower arrangements. Shade or sun.

RED FLOWERING QUINCE (Cydonia Japonica)

Medium shrub with cluster upon cluster of brilliant scarlet blossoms borne in the Spring before the leaves appear. Foliage is beautiful green, tinged with maroon. Shade or sun.

ROSE ACACIA (Flowering Locust)

A medium growing, spreading shrub with dark green locust-like leaves. Huge clusters of pink sweet pea-like flowers are borne in the Spring. Thrives in sun or shade.

RUSSIAN OLIVE

Large shrub or small tree with attractive platinum gray foliage. In the Fall there are numerous orange berries covered with silver scales. Shade or sun.

SNOWBALL

Medium growing shrub with large white balls of double white flowers borne in profusion in April and May. Shade or sun.

SPIREA ANTHONY WATERER

Low spreading shrub with bright red flowers completely covering plant in June to September. Shade or sun.

SPIREA BILLIARDI

Medium grower with bright pink flowers in long spikes that glisten like frost in early morning sun. Blooms continuously from June to September. Shade or sun.

SPIREA FROEBELI

Hardy, vigorous, semi-dwarf shrub with masses of bright pink flowers borne throughout the Summer. Thrives in sun or shade.

SPIREA VANHOUTTEI (Bridalwreath)

Medium growing, spreading and gracefully drooping branches are covered with masses of pure white blossoms in April and May. Shade or sun.

TAMARIX

Tall growing shrub with fine feathery blue-green foliage and bright pink flowers all Summer. Shade or sun.

VITEX (Chaste Tree)

Tall growing shrub with attractive spikes of lovely lavender blue flowers throughout the Summer. Shade or sun.

WEIGELA PINK (Rosea)

A medium shrub with masses of bright pink trumpet-shaped flowers in Spring. Shade or sun.

WEIGELA RED (Eva Rathke)

Medium growing compact shrub with masses of bright crimson trumpet-shaped blossoms in the Spring and intermittently throughout the Summer and Fall. Shade or sun.

WEIGELA VARIEGATED

Dwarf compact plant with green leaves, edged in white. Light pink trumpet-shaped flowers cover the plant in May and June. Prefers sunny location.

SHADE...FLOWERING and ORNAMENTAL TREES

Our Shade, Flowering and Ornamental Trees have been grown in the fertile foothills of the Ozarks with plenty of space in the nursery row for proper development. All are strictly first class, hardy, well-shaped, young and vigorous trees with a heavy root system.

ASH, GREEN

Large growing, round topped trees with shiny green foliage. Especially good in semi-arid sections but succeeds every where. 50 to 60 ft.

BIRCH, CUT LEAF WEEPING

A handsome white barked tree with drooping limbs and dark green cut-leaf foliage. 30 to 40 ft.

BIRCH, EUROPEAN WHITE CLUMP

Graceful, multi-trunked tree with white bark, pendulous branches, and delicate green, deeply cut leaves. 30 to 40 ft.

CHERRY, JAPANESE FLOWERING

Small tree completely covered in the Spring with large, double, rosy-pink flowers. 10 to 15 ft.

COTTONWOOD, COTTONLESS

Rapid growing, drought-resistant tree with glossy green foliage, produces no flowers, seeds or cotton. 60 ft.

CRAB, ALMEY FLOWERING (Red)

Small growing tree, has fiery crimson blossoms with white markings at the base of each petal, giving it the effect of a five-pointed star. Blooms in May, followed by scarlet fruit. 15 to 20 ft.

CRAB, HOPA FLOWERING (Pink)

Crimson buds in the Spring, open to rose-pink flowers. Later in the Summer the tree is covered with small red apples that make tasty jelly. 15 to 20 ft.

DOGWOOD, PINK FLOWERING

Small symmetrically growing tree with large deep pink blossoms in the Spring. Foliage turns a brilliant red in Autumn. 20 ft.

DOGWOOD, WHITE FLOWERING

The loveliest of all native American trees. Large white flowers in early Spring followed by bright red berries in winter. Equally at home in sun or partial shade. 25 ft.

ELM, CHINESE

A hardy rapid grower with compact habit of growth and small attractive leaves. 60 ft.

ELM, HYBRID

Large, dark green leaves, typical American Elm shape but grows extremely fast and has smooth bark of Chinese Elm. Resistant to Elm diseases. 60 ft.

GOLDEN CHAIN TREE

Medium size tree with large deep yellow pea-like flowers hanging in large clusters. Blooms in May. 25 ft.

GOLDEN RAIN TREE

Medium size tree with brilliant yellow flowers in enormous panicles at tips of the twigs. Will stand hot, dry weather, 30 ft.

HAWTHORNE—DBL. PAUL'S SCARLET

A most beautiful decorative tree with an abundance of carmine-red flowers in May and June, followed by bright red berries. 25 ft.

LOCUST, MORaine (Plant Patent No. 836)

A new shade tree that is thornless and seedless. The absence of seed pods and the small quick crumbling leaves practically eliminates the necessity of a fall clean-up. Rapid growing, tall and vase shaped. Very resistant to disease and insect damage. 60 ft.

LOCUST, SUNBURST (Plant Patent No. 1313)

A new well formed, symmetrical and broadly pyramidal tree with an excellent spreading habit. 8 to 10 inches of the tips on the branches are bright golden-bronze making it truly beautiful. Free of thorns and seeds. 60 ft.

LOCUST, THORNLESS HONEY

An outstanding shade and ornamental tree with fragrant white flowers in Spring. 60 ft.

MAGNOLIA RUSTICA RUBRA (Red)

A shrub type magnolia with large fragrant red blooms in the Spring before the leaves appear. 20 ft.

MAGNOLIA SOULANGEANA (Pink)

Flowers open light purple at base, shading to pink at tips with inside of petals clear pink to white. Blooms before leaves appear. 20 ft.

MAGNOLIA SOULANGEANA NIGRA (Purple)

Flowers are very dark in the bud opening to a deep purplish-red. Late bloomer. 20 ft.

MAPLE, CRIMSON KING (Pat. No. 735)

A beautiful shade or ornamental tree with deep maroon foliage from the time it leafs out until the leaves are shed in the fall. 60 ft.

MAPLE, SILVER OR SOFT

Rapid growing spreading tree with deep cut foliage dark green above and silver-white below that turns golden yellow in the Fall. 60 to 80 ft.

MAPLE, SUGAR

A particularly hardy tree with dense, rich green foliage in the Summer, changing to all shades from gold through copper to rich scarlet in the Fall. 60 to 80 ft.

MIMOSA

A spreading type tree with delicate fern-like foliage. In the Summer the tree is covered with fluffy pink blossoms. 25 to 40 ft.

MOUNTAIN ASH, EUROPEAN

A round-headed tree with fine foliage. Large clusters of white flowers are followed by clusters of reddish-orange berries. 30 ft.

MULBERRY, NON-FRUITING

A fast-growing spreading tree with dark green foliage. No berries to mess up your yard or walks. 50 ft. **OAK, PIN**

A fast-growing Oak with deeply cut, dark green foliage that turns a beautiful shade of coppery-red in the Fall. 60 ft.

PEACH, DBL. RED FLOWERING

A very showy tree covered in the Spring by masses of carnation-like red blossoms before leaves appear. 15 to 20 ft.

RED LEAF PEACH

Beautiful bright red foliage in the early Spring and maroon in the Fall. Has deep rose-colored blossoms followed by ripe red peaches. 15 to 20 ft.

PEACH, DOUBLE WHITE FLOWERING

A small ornamental tree completely covered in early Spring with masses of white blossoms.

PLUM, PURPLE LEAF

The delicate pinkish white blossoms make an outstanding contrast against the deep maroon foliage. Bears tasty red meated plums. 15 to 20 ft.

POPLAR, LOMBARDY

Rapid growing, tall, slender tree. Excellent for specimen planting or forming screens or windbreaks. 60 ft.

RED BUD

Small spreading tree with rosy-purple blossoms covering the stems in the Spring, before the dark green heart-shaped leaves appear. 20 to 30 ft.

SWEET GUM

Deep green, star-shaped leaf turns to brilliant shades of gold, copper and crimson in the Fall. 50 to 60 ft.

SYCAMORE

Rapid-growing tree with smooth light-colored bark becoming nearly white with age. Large handsome leaves on a strikingly straight tree. 80 to 100 ft.

TREE HYDRANGEA

Tree form of the beautiful Hydrangea P. G. Shrub.

TREE WISTERIA

Tree form of the Wisteria Vine. Great masses of purplish-blue blossoms hang in grape-like clusters in the Spring. 8 to 12 ft.

TULIP TREE

Vivid orange-yellow, tulip-shaped flowers in the Spring. Large bluish-green leaves turn golden yellow in the Fall. 60 to 80 ft.

WEeping WILLOW, GREEN BARK

A beautiful, graceful tree with long drooping branches, densely covered with light green leaves. 60 ft.

Self-Sellers . . . the Ultimate in by **OZARK**, the

Good to Look at . . . Dressed to Create **Extra** Sales!

Even the Ozark Hillbilly is enthused over Ozark's Modern Packages because he knows:

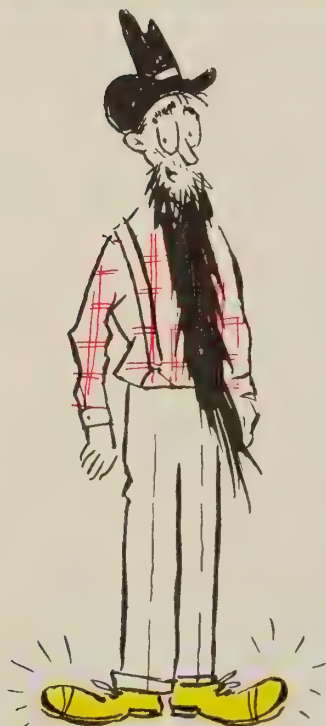

★ That continuous research in design and construction created Ozark's distinctive packages — the ultimate in merchandising appeal.

★ That the most exacting cultural practices, gained by our 63 years experience, have been used to bring you the finest plants it is possible to buy.

★ That Ozark plants are heavily graded according to the standards defined by the American Association of Nurserymen — your assurance of quality at its very best.

★ That Ozark now furnishes the largest outlets in the nation its beautiful packages. With Ozark's attractive, eye-catching packages the Hillbilly knows your sales will jump tremendously, too.

It is easy to see why the Ozark Hillbilly is enthused about Ozark products, which are the result of over a half-century of progressive methods and thinking.

Merchandising Appeal Leader in a Progressive Industry!

Ozark offers the largest and most complete selection of all types of packaged plants in the industry. By ordering all your packaged plants from Ozark, you will have uniform, colorful packages for your display.

Shipment can be made on all your plants at one time. This eliminates problems of delivery on shipments from several different sources and the payment of several freight bills at a higher rate than if all plants were in one shipment. Your display can be set up at one time and checking your shipment can be done at one time giving you the benefit of cheaper handling costs.

Reordering is easier, too — shipment can be made in smaller quantities of several different items and inventories can be smaller with Ozark's prompt handling of your order.

You will be doing plenty of re-ordering, too, with Ozark's attractive, eye-catching, fast-selling packages creating impulse sales for you.

CLIMBING VINES

BITTERSWEET

A hardy vine, producing bright yellow berries that burst open to brilliant red centers in Fall and Winter. Popular for cutting and hanging in the home.

BOSTON IVY

Clings to brick, stone or concrete walls. Beautiful green foliage in Spring and Summer, changing to a crimson scarlet in Autumn. Does best on North Side.

CLEMATIS, LARGE FLOWERING

Most beautiful and colorful of flowering vines. Will bloom this Summer. Your choice of large lovely colors: Jackmani (Purple); Henryi (White); Mme. Andre (Red).

HONEYSUCKLE, GOLDFLAME

Large fragrant, flame-red trumpets with gold, are produced in immense showy clusters. Blooming from early Summer to frost. Dark blue-green foliage, stays on year around in most areas.

HONEYSUCKLE, HALL'S

Rapid growing vine with delightfully fragrant yellow and white flowers.

Ozark climbing vines are big thrifty plants that are sure to please your customers. Hardy and especially adapted to all sections of the country after being produced in the fertile Ozark Mountain foothills.

HONEYSUCKLE, PURPLE LEAF

Everygreen foliage turns deep purple in Fall and Winter. Pinkish-white blossoms are borne all Summer with a Gardenia-like fragrance.

SILVER LACE VINE

Rapid growing climber, producing large foamy sprays of creamy white flowers throughout Summer and Fall.

TRUMPET VINE

Fast-growing vine with large clusters of trumpet-shaped, rich Apricot-orange blossoms all Summer.

VIRGINIA CREEPER

A hardy, rapid growing vine with large leaves. It is ideally suited for growing on stone walls, brick buildings, trellises and fences.

WISTERIA VINE

Vigorous climbing vine that blooms in the Spring with huge clusters of purple flowers that hang like clusters of grapes. Your choice of colors: pink, purple, white.

EASY TO ORDER COLLECTIONS

EDULIS SUPERBA

An early, very fragrant, large, clear, bright rose pink. Thrifty growing plant and blooms freely.

FELIX CROUSSE

Large, rich, brilliant ruby-red that blooms freely in mid-season.

FESTIVA MAXIMA

A very large, early, fragrant, pure white flecked with crimson.

KARL ROSENFELD

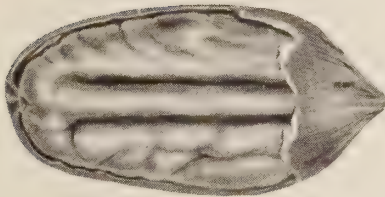

A free blooming, large brilliant velvety dark crimson that blooms in mid-season.

MONS JULES ELIE

A beautiful lilac-pink shading to deeper rose overlaid with a sheen of silver in mid-season.

NUT TREES

Our nut trees are first class, well-shaped, young and vigorous nursery grown trees with good roots. Hardy, Ozark Mountain foothills grown.

PAPERSHELL PECAN TREES

Desirable—Large, round, thin-shelled, high quality.

Stuart—Large, round, tasty nuts. Most hardy of all varieties.

Success—Round nuts, very resistant to scab, beautiful trees.

Schley—Long, very thin-shelled, heavy producer, disease resistant.

CHINESE CHESTNUTS

The same tasty nuts you have enjoyed since you were a child. Blight resistant strain.

CARPATHIAN ENGLISH WALNUTS

A new hardy strain comes from the Carpathian Mountains in Poland. Thin-shelled and fruited here in Cherokee County last year. Our trees are propagated from a selected tree which started bearing young and bears heavily and regularly. Will stand cold weather and develops into large specimen trees. Rapid growing trees. Thrives in Northern States and Canada.

THOMAS BLACK WALNUT

A large grafted Black Walnut with a thin shell and more flavorful nuts than the regular Black Walnuts.

EASY TO ORDER COLLECTIONS

If you want a good assortment but do not know what sells best in your area, then order collections by item number below. You will be shipped an assortment which our past experience has shown to be the best selling named varieties in proportion to the way they sell in your area.

(Sour)

Dwarf Meteor —Red, June, Pies.	Dwarf North Star —Red, June, Pies.
---------------------------------------	---

CHERRY TREES

(Sweet)

Black Tartarian	—Large Purplish—Black, June.
Golden Sweet	—Yellow, June.

EVERBEARING FIGS

(That Fruits First Year)

Yes, your customers can have big, soft, fresh, delicious Figs from July to Frost the first year. Will thrive and produce abundant crops right in your area. While the tops will sometimes freeze in the colder sections, if this dead wood is pruned away, the plant will make new growth and fruit that season. Very sweet and tops for preserves.

NECTARINES

A plum and peach cross with a smooth skin like plum and a seed like a peach. Has a beautiful dark red color and an unique pleasing flavor of the plum and peach. Freestone.

Just Naturally Healthier!

PEACH TREES

Belle of Georgia	— White with red blush, freestone, July 30.
Dixigem	— Yellow freestone, July 10.
Early Elberta	— Yellow with red blush, freestone, July 25.
Elberta	— Yellow with red blush, freestone, August 5.
Frank	— Yellow with red blush, cling, August 15.
Golden Jubilee	— Yellow with red blush, freestone, July 15.
Hale Haven	— Yellow with red blush, freestone, July 20.
Indian Cling	— Red, cling, August 1.
J. H. Hale	— Yellow with red blush, freestone, August 1.

You Can Brag About Ozark PACKAGED FRUIT TREES

- Ozark's Fruit Trees Are Orchard Tested
- Large Mechanical Digger Gets All the Roots
- Machine Packaged for Extra Sales Appeal
- Complete Line of Both Dwarf and Standard Varieties

**And Don't
be
SURPRISED
at How
MANY
You Will Sell!**

This last year we sold one of the nation's largest outlets packaged plants for the first time. When they placed their opening orders, they shied away from fruit trees. At our suggestion they did put in a few on a trial basis. Their re-orders were very heavy for fruit trees and they actually ended up selling more fruit trees than any other type packaged plants. Practically every home gardener wants some in the back yard.

Surprising how many you will sell!

*Small Fruits
Ozark Can Supply
All Your Stock!*

All Ozark small fruits are strictly first class, young and vigorous plants with a heavy root system. All are hardy Ozark foothill grown.

GRAPE VINES

Catawba
Concord
Fredonia
Niagara
Thompson Seedless

- Red, exceptionally heavy producer; sweet.
- Black, unusually hardy and superior in withstanding diseases.
- Black, best for Southwest, ripens evenly, outbears Concord 50%.
- White, leading white grape, ripens same time as Concord.
- White, popular seedless grape.

BERRY PLANTS

LAWTON BLACKBERRY

A heavy yielding, glossy jet-black berries of enormous size. Sweet pleasing flavor.

BLUEBERRY

Large clusters of practically seedless blueberries the size of grapes.

THORNLESS BOYSENBERRY

A large delicious fruit. Absolutely free of thorns which is a grand advantage in picking.

RED LAKE CURRANT

A new red currant far superior in quality, flavor and size of berries.

AUSTIN DEWBERRY

A glossy black berry with a rich flavor.

PIXWELL GOOSEBERRY

Berries are medium and excellent for pies.

Ozark's PACKAGED ROSES

All our rose bushes are hardy, two year old, field grown roses and all have bloomed in the nursery row in our California growing fields. Shipments will be made from our Tahlequah warehouse after January 1st each year. Experienced men have dusted fertilized and cultivated the roses according to the best methods that modern plant science can provide. They are carefully graded and stored in scientifically controlled warehouses, under constant observation until time for packaging.

EVERBLOOMING BUSH ROSES

CONDESA DE SASTAGO

Large flowers of copper, red inside and rich yellow outside.

CRIMSON GLORY

Deep, velvety crimson with long pointed buds.

ECLIPSE

Long pointed buds of daffodil yellow.

EDITOR McFARLAND

Fragrant blooms of clear brilliant pink with strong stems.

ETOILE DE HOLLANDE

Perfect buds open in beautiful flowers of velvety crimson.

FRAU KARL DRUSCHKI

Long pointed buds opening into large very double, slightly fragrant pure white blossoms.

GOLDEN SASTAGO

Bright buttercup yellow drenched with delightfully sweet perfume. An exquisite rose with the buds opening into long lasting flowers.

K. A. VIKTORIA

Soft pearly white tinted with just enough lemon in the center to relieve the white.

PINK RADIANCE

A brilliant carmine pink with salmon and yellow shadings at the base of petals.

POINSETTIA

A free blooming red rose, the color of the Christmas Poinsettia.

PRESIDENT HOOVER

A combination of cerise-toned, scarlet, and yellow.

RED RADIANCE

Vigorous growing, free blooming bright cerise-red with a true rose fragrance.

TALISMAN

Richly fragrant, exquisitely formed rose of orange-scarlet and golden yellow.

CLIMBING ROSES

CLIMBING BLAZE

An everblooming Paul's Scarlet. Brilliant double red blossoms in abundance at Spring time and intermittently during Summer and Fall.

CLIMBING ETOILE DE HOLLANDE

Climbing form of the popular Etoile de Hollande bush rose. Perfect buds open into beautiful flowers of velvety crimson.

CLIMBING GOLD RUSH

A rose with a sweet fragrance. Bright yellow buds opening into long lasting flowers.

CLIMBING NEW DAWN

Very hardy, profuse bloomer. A sparkling pink rose with pointed buds.

CLIMBING PAUL'S SCARLET

A magnificent display in spring with huge clusters of blazing scarlet double roses.

CLIMBING TALISMAN

Constantly in bloom with the most vivid color yet produced in roses.

CLIMBING WHITE AMERICAN BEAUTY

Very large, fragrant white climber.

FLORIBUNDA ROSES

FLORADORA

Exquisitely formed buds opening into a camellia-like flower of glowing orange-scarlet. Blooms in clusters.

POLYANTHA (Baby Roses)

GOLDEN SALMON

Countless clusters of rich salmon colored baby roses. Constantly in bloom from early Spring until frost.

IDEAL

Large clusters of brilliant red roses from early Spring until frost.

TREE ROSES

CRIMSON GLORY—Deep velvety crimson with long pointed buds.

CONDESA DE SASTAGO—Large flowers of copper, red inside and rich yellow outside.

K. A. VIKTORIA—Soft, pearly white tinted with just enough lemon to relieve the white.

MRS. P. S. DuPONT—Long pointed buds of daffodil yellow.

PICTURE—Fragrant blooms of clear, brilliant pink.

If You Are in Doubt . . . Let Ozark Show You What to Order

If you have not sold shrubs, vines, shade trees, fruit trees, etc., in the past, the following list will aid you in placing your order.

Our past experience in selling other outlets shows that you will sell these items. This is a very conservative opening order, therefore, you will probably sell considerably more. You will also find by selling shrubs, shade trees, fruit trees, etc., that your Rose sales will increase.

We would much prefer, however, that you order according to this very conservative list and re-order after these sell, rather than over-order at first. Please order by groups.

If You Sell You will Sell Deluxe Pack Super Deluxe

100 Roses GROUP A

2—Item No. Shrubs	200	or	210
1—Item No. Shrubs	220	or	230

ONLY THE BEST FOR OZARK CUSTOMERS!

Only the best of plants are allowed to go to Ozark customers. State and Federal Inspectors have inspected every plant to be sure they are absolutely free of insects and disease. Each plant is rigidly graded according to the standards defined by the American Association of Nurserymen.

MECHANICAL DIGGER — FOR BETTER ROOTS

Ozark has invested over \$15,000.00 in this large mechanical digger for one reason only—to give you and your customer a plant with a heavy root system that is certain to thrive after planting.

COMPLETELY SELF-SERVICE

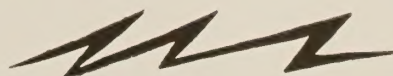

Planting instructions on the back of each package saves store personnel countless hours of answering questions. This along with the big, beautiful true-to-life color picture make the packaged plant completely self-service.

PROMPTLY SHIPPED

Ozark's packaging facilities are large and by packaging with machines, rather than the hand method, your orders are shipped promptly.

FOR BETTER SERVICE — RADIO COMMUNICATION

All Ozark trucks are two-way radio equipped to give us instant contact with our growing fields. Just another progressive step to give you better plants and speedier service.

Take Advantage of
Ozark's
COMPLETE SELECTION
 of All Types of Plants!

In addition to distinctively packaged flowering shrubs and trees Ozark Nursery offers a complete stock of evergreens. Each plant is tagged with a large weather resistant plastic label.

The name of the plant is printed on the label in large easy to read type with space below the name for you to write in your own price. Complete planting instructions are on the back of the label.
